Some majors specify particular courses to meet core curriculum requirements when options are available.

** Or an equivalent course (second year, second semester) in a foreign language.

*** Recommended by department.

NOTE: Some courses may have pre-requisites that are not included within the degree and may need to be taken as electives.

NOTE II: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

NOTE: Students not in a College of Business academic program are limited to 24 hours of courses from that college to satisfy degree requirements.

Note: This is NOT a degree plan. Upon completing 30 credit hours, students must request an official degree plan (using the online [Degree Plan Request form](#)) in order to progress. Students who have questions about their degree plan should contact the office of the dean of the Paul Engler College of Agriculture and Natural Sciences, which is located in the Happy State Bank Academic & Research Building, Suite 262 (phone 806-651-3570).
