You may be required to pass a practice exam (if available) before you are given approval to take the official exam. Practice exams are offered at WT several times each semester.

Please request approval to test at least one week prior to the regular registration deadline.

Many exams are also offered as Computer-Administered Exams (CAT); the above registration deadlines do not apply to CAT exams. Test frameworks, preparation manuals, and registration information may be accessed through the ETS website.

You must bring an admission ticket for the test you are taking and valid and acceptable identification document(s) with your name, signature, and photograph. Your ID will be checked before you are admitted. ID requirements are in the [Registration Bulletin](#) and on this website. For PBT tests, you must also bring 3 or 4 sharpened soft-lead (No. 2 or HD) pencils with good erasers. See the [Registration Bulletin](#) for information about other items to bring to the test administration for specific tests.
