## CAMP DETAILS

Come out and join the Lady Buffs for an action- packed camp. Instruction will be provided by collegiate coaches and players in the following areas -

- 1) Offensive skills (hitting and baserunning)
- 2) Infield and Outfield fielding skills, and
- 3) Pitching and Catching skills.

Along with instruction, each camper will receive a written skill evaluation. Campers will also be split up into teams and play games. These games will give staff members an opportunity to evaluate each camper in game situations also.

Each camper will take part in seven hours of drill work, individual evaluation drills and get an opportunity to play in games during camp. Lunch will be provided, along with a camp T-shirt.

No housing will be provided. We ask that you please contact The Holiday Inn Express South Amarillo, 6701 Holiday Road in Amarillo, for your housing needs. Their contact number is 806-352-1900. They are our host hotel and if you mention you are coming to a WT camp, they should provide a decent rate.
