**West Texas A&M University  
Mission Statement**

**West Texas A&M University, a member of The Texas A&M University System, is a student-centered, learning community dedicated to educating tomorrow's leaders through innovative academic and co-curricular undergraduate and graduate programs. The University serves as the principal academic and cultural center of a multi-state region and is a significant catalyst for economic development by expanding the frontiers of knowledge through education, research and consultation. Its faculty and staff prepare students for leadership roles both in their chosen careers and as citizens of the nation and the world. West Texas A&M University is committed to providing a technology-rich education, constantly improving its academically challenging educational experience, and engaging students through effective teaching and practical experiences involving inquiry, discussion, research, creative activities, experiential learning and service. The University is committed to the intellectual, professional and social growth of students by providing an education grounded in the liberal arts and opportunities to develop strong critical thinking and problem-solving skills, an understanding of cultural diversity, a commitment to ethical behavior, an appreciation for the fine arts and humanities, and a desire for life-long learning.**
