Pre-University Program (PUP) - West Texas A&M University

West Texas A&M University (WTAMU) and participating Independent School Districts have chosen to offer dual credit opportunities through the Pre-University Program (PUP) with the purpose of providing excellent campus and online based higher education academic experiences for high school students who intend to pursue a university level degree. The best part is that upon approval of an advisor, the courses taken can be for dual credit and only cost $150.

The Texas Success Initiative (TSI) is a requirement by the Texas State Legislature. Students must have met these requirements in the areas they plan to take classes. More information regarding TSI is available through Advising Services at WTAMU (806-651-5300).
