BUFFALO CALVES FOOTBALL TEAM

HOMER JOHNSON, Captain-Elect  
Slaton, Texas

"Buck" came to us from Slaton High School with sufficient knowledge of baseball combined with the coaching of Eckhardt to make a place on the Buffalo nine, showing the regulars of last year how it was accomplished. There is no place on the team "Buck" cannot play, and that well. His teammates recognized his ability as a real ball player and a coming leader, therefore he was chosen to lead the Herd of '26.

To My Friends, the Students: May 1925 bring to each of you enough of hard work to make you appreciate all the leisure you find; enough of financial embarrassment to teach you the right economy of time and money; enough of failure to take the vanity out of victory; enough of disappointment to heaven your joys; and enough of doubt to lead you into an intelligent faith in God and His divine purpose in your life. J. A. HILL, President.

## FRESHMAN CLASS BASKET BALL TEAM

THE FRESHMAN CLASS has every right to be proud of its girls' basket ball team, both for the good playing that it did and for the fine spirit that was displayed. The class colors were very much in evidence, and excellent sportsmanship was shown throughout both the hotly contested games. Captain Myrtle Johnson was a worthy opponent for Johnetta, both in quickness and ability to score. She was assisted at various times by Cora Knight, Marsene Smith, and Irene Ward. Because of the illness of the regular jumping center, Evelyn Hefner, the place was filled by Irene Ward and Ada Alexander, both of whom did good work. Vera Gilreath as running center played a remarkably good game, considering that the opponents were getting the tip-off. She is particularly at juggling the ball over her opponent. The Freshmen had the outstanding guard on the floor, Winnie Altman. She is particularly able to hold the opponents to a rather low score. The Freshmen had a part in both games very creditably.
