* Please note that not all courses may be offered each semester at the community college. Check with your counselor for availability of courses, as well as the option to pursue an associate's degree.

** West Texas A&M University’s requirements include a 42-hour Texas core curriculum, whereas Frank Phillips College maintains a 47-hour core curriculum with options for an Associate in Arts or an Associate in Science general degree. If a student completes a component of the core at one Texas institution, that block of courses will be substituted for WTAMU’s same core component(s). Furthermore, core curriculum requirement courses may also be fulfilled by approved courses at WTAMU.

Additional Program Foundation courses are required. These may be completed at Frank Phillips College or WTAMU.
