

**The Division of Information Technology
University Information Security Standards**

**NIST CONTROL FAMILY
IDENTIFICATION AND AUTHENTICATION CONTROLS**

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVIEW DATE
RA-2	Security Categorization	P1	07/23/2017

I. STATEMENT

WTAMU categorizes information and the information system in accordance with applicable federal laws, executive orders, directives, policies, regulations, standards, and guidance; documents the security categorization results in the security plan for the information system; and ensures that the security categorization decision is reviewed and approved

II. APPLICABILITY

This Control applies to all West Texas A&M network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

III. IMPLEMENTATION

To properly assess the risk of each information system the type of data and system criticality of each system must be identified and documented.
