TOTAL HOURS NOTE: Minimum hours needed for transfer to professional school is 90.	90+	

A minimum of 42 hours from the core curriculum is required. Some majors specify articular courses to meet core-curriculum requirements when options are available. Indicates prerequisites—see catalog for more information.

Or an equivalent course (second year, second semester) in French or German.

NOTES: This is NOT a degree plan. This is a basic three- to fouryear program of 90+ minimum hours for admission to professional schools. Students should consult their adviser for proper course selection. Professional school admissions officers make final decisions regarding entrance requirements to their respective schools. Contact your adviser or the Department of Life, Earth and Environmental Sciences (ANS 348A; 651-2570) if you have questions regarding the transfer of credits to a professional school. The office of the dean of the College of Agriculture, Science and Engineering is located in the Agriculture and Natural Science Building, Room 106 (phone-651-2585).
