- A minimum of 42 hours from the core curriculum is required. Some majors specify particular courses to meet core-curriculum requirements when options are available. Ideally, these courses should be taken during the first two years of enrollment.
- * Indicates prerequisites—see catalog for more information.
- ** While MATH 1332 will fulfill core math requirements, it will NOT prepare students for math beyond MATH 1332 such as Plane Trigonometry (MATH 1316), Pre-Calculus (MATH 2412), etc.

 *** Or an equivalent course (second year, second semester) in French or German.

NOTE: Students will be advised by the head of the department in which they elect to meet one of the 18-semester-hour requirements. At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. Before completion of 60 hours, students are allowed and encouraged to request an official degree plan by using the online Request for a Degree Plan form. If unable to use the online form, students can also submit a request in Old Main, Room 424 (or call 806-651-2668). After completing 60 hours, students will not be allowed to progress without requesting a degree plan.
