<sup>♦</sup> A minimum of 42 hours from the core curriculum is required. Some majors specify particular courses to meet core-curriculum requirements when options are available. Ideally, these courses should be taken during the first two years of enrollment.

\* Indicates prerequisites—see catalog for more information.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. Before completion of 60 hours, students are allowed and encouraged to request an official degree plan by using the online Request for a Degree Plan form. If unable to use the online form, students can also submit a request in Old Main, Room 424 (or call 806-651-2668). After completing 60 hours, students will not be allowed to progress without requesting a degree plan.

<sup>\*\*</sup> While MATH 1332 will fulfill core math requirements, it will NOT prepare students for math beyond MATH 1332 such as Plane Trigonometry (MATH 1316), Pre-Calculus (MATH 2412), etc.

<sup>\*\*\*</sup> Or an equivalent course (second year, second semester) in French or German.
