♦ A minimum of 42 hours from the core curriculum is required. Some majors specify particular courses to meet core-curriculum requirements when options are available. Ideally, these courses should be taken during the first two years of enrollment.  
\* Indicates prerequisites—see catalog for more information.  
\*\* While MATH 1332 will fulfill core math requirements for students in the 2011-2012 catalog, it will NOT prepare them for math beyond MATH 1332 such as MATH 1325, MATH 2412, etc.  
\*\*\* Or an equivalent course (second year, second semester) in French or German.  
† It is possible to take only three hours of internship. See department adviser about possible substitutions if needed.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

**Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan by using the online [Request for a Degree Plan](#) form. If unable to use the online form, students can also submit a request in Old Main, Room 415 (or call 806-651-2668). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.**
