♣ To gain admittance to the College of Business, students must successfully complete prebusiness core courses with a grade of "C" or higher. Students seeking admission that have completed 48 or more credit hours in a different major or as a transfer student may be admitted to the business program with approval by dean or associate dean. (See catalog or Pre-Business checklist for more details.)

The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
 PB Pre-business requirements are: ACCT 2301; ECON 2301; ECON 2302; MATH 1325 or MATH 2413 (or equivalent); BUSI 1304, CIDM 1301, 1315, 2345 or FIN 1307 (or advisor approved Core 90 equivalent); EUGL 1301; and COMM 1321 (or advisor approved equivalent) or ENGL1302 or 2311.

A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.
