MISSION STATEMENTS

WTAMU Mission Statement

West Texas A&M University is a diverse and inclusive student-centered community of learners that:

- provides a technology-rich, academically rigorous educational experience at the undergraduate and graduate levels;
- cultivates opportunities to develop critical thinking and problem solving skills, information literacy, and ethical behavior;
- directs resources in support of empowering co-curricular experiences;
- maintains focus on the development of future leaders for our community, the state, the nation, and the world; and
- serves through education, research, and consultation as a catalyst for economic development and enhancement of the quality of life for the region.

Division of Student Affairs Mission Statement

The Division of Student Affairs develops a student-centered educational environment that enhances involvement in individual growth and learning by offering rich and varied programs, services and facilities that challenge and support students toward academic success and lifelong learning. Students are empowered to become informed, responsible, creative and articulate decision makers who will strive for educational, personal, social and professional achievement.

Jack B. Kelley Student Center Mission Statement

The Jack B. Kelley Student Center is the gathering place for the entire West Texas A&M University community. We are dedicated to providing an educational, cultural, social, and premiere facility that inspires intellectual and interpersonal development through student-centered programs and services.

Funding

The Jack B. Kelley Student Center is committed to remaining fiscally responsible and makes every effort to remain open and transparent. The JBK Student Center funds its maintenance and operations entirely through the University Center Fee. General revenue funding (money from The State of Texas) is used for academic purposes and does not fund the JBK Student Center or any of the operations. In the spring of 2010, a University Center Fee increase was presented to the students of West Texas A&M University. The students voted to increase the student center fee and as a result provided enough funding to build the \$10.9 million expansion of the Jack B. Kelley Student Center.

Reservations

The JBK Student Center staff reserves the right to deny space usage for any group/event that is programmatically or operationally impractical to accommodate or that conflicts with the University's mission or policies.

The JBK Student Center reserves the right to cancel, interrupt, or terminate any event in the interest of public safety, noncompliance with university policies, or if the event can be viewed as inappropriate or not consistent with the mission of West Texas A&M University.

All educational programs provided by an outside organization and open to the community at large will be required to pay an exhibitor fee. Once the event is confirmed, the student center director must approve all marketing material prior to distribution. Failure to do so may result in denial to use the space.

Groups should not advertise their events until the confirmation email has been received. If advertising is sent out prior to approval, it may result in denial of the request to use the space in the JBK Student Center.

A large-scale event is any event that will have more than one-hundred (100) people in attendance.

The use of the JBK facility, J.A. Hill Chapel or outside lawns (not including Buffalo Sports Park) will be scheduled through the JBK Information desk. All reservations should be secured through www.reservations.wtamu.edu.

Scheduling an event at least 2 weeks in advance is recommended.

In case of University emergency, any event may be cancelled up to 24 hours in advance.

Submission for this status shall be received no later than January 1 of the previous year. The Buffaloes Traditions Programs shall be booked into the JBK Student Center Building reservations calendar as soon as the University calendar has been approved and prior to advance reservations being booked.

This policy permits selection of a few programs that must happen annually in the JBK Student Center at a prescribed time. The programs should remain constant from year to year and if the event fails to remain constant, the space will be lost. Dates for the event may change as dictated by the University calendar. Once these have been selected, any new submissions will be submitted to the JBK Student Center Advisory Board for review.

- Submission Criteria
 1. Sponsorship by organization or University department
 2. Annual program at a specified time of year

If all Institutional Priority and Buffalo Traditions events have been confirmed for the upcoming summer, the JBK reserves the right to allow outside organizations to book events more than six months in advance.

The date that marks the beginning of the fall semester is defined as the day the residence halls open. The end of the summer semester is marked by the day before the residence halls open for the fall semester.

Reservation space is critical space and it is important to remain efficient. “No shows” will not be tolerated and may jeopardize future opportunities to reserve space in the JBK. Failure to cancel reservations for events involving special set-ups at least two business days in advance of the event date may result in a fee.

- 1st time – verbal and written warning
- 2nd time – \$25 fee
- 3rd time – \$100 fee
- 4th time or more – lose scheduling privileges within the JBK Student Center for duration of the academic year.

Classes may be scheduled on a one-time basis during each semester. Classes will not be allowed to use the JBK on a regular basis.

The West and East Commons area may only be reserved by University departments and student organizations if planned during JBK regular business hours.

However, if an outside organization is sponsored by a student organization and the student organization benefits in some way, then the fee will be waived.

The JBK Student Center does not allow a University department to sponsor a non-University event when the non-University group seeks to reduce applicable costs for facilities or services.
