NOTES: This is NOT a degree plan. This is a basic three- to four-year program of 94 minimum hours for admission to professional schools. Student should consult advisers for proper course selection. Professional school admissions officers make final decisions regarding entrance requirements to their respective schools. Contact your advisor or the Department of Life, Earth and Environmental Sciences (ANS 348A; 651-2570) if you have questions regarding the transfer of credits to a professional school. The office of the dean of the College of Agriculture, Nursing, Science and Engineering is located in Old Main, Room 402 (phone—651-2585).
