Commuter Students will be hosting a Donut Break on February 8 beginning at 7:30am on the 1st floor of the Classroom Center.

Have you completed 60 or more hours? If so, you need to file for a degree plan in your Dean’s Office (or online if you are in the College of Education & Social Sciences).

Remember that WTAMU offers many tutoring options for students. If you feel like you need a little extra assistance in any of your classes, look into Tutoring Services, Smarthinking, the Math Lab, Virtual Math Lab, or the Writing Center.

Odds & Ends

- Commuter Students will be hosting a Donut Break on February 8 beginning at 7:30am on the 1st floor of the Classroom Center.
- Have you completed 60 or more hours? If so, you need to file for a degree plan in your Dean’s Office (or online if you are in the College of Education & Social Sciences).
- Remember that WTAMU offers many tutoring options for students. If you feel like you need a little extra assistance in any of your classes, look into Tutoring Services, Smarthinking, the Math Lab, Virtual Math Lab, or the Writing Center.

Reverse Transfer

Did you know that you can transfer courses you take at WTAMU back to your community college for completion of your associate’s degree? It’s called reverse transfer and is a fairly simple process. Contact the Registrar’s Office at WTAMU to have your WTAMU transcript sent to your community college (or you can take the transcript yourself). Then, speak with the Registrar’s Office at your community college to have the WTAMU transcript evaluated and courses added to your community college degree plan.

Campus Resources Spotlight—Student Medical Services

Student Medical Services provides high quality, confidential, holistic health care services to our diverse student population. The office is staffed with a board certified family physician, two family nurse practitioners, two registered nurses, and an X-ray technician. Services include:

- Illness, injury and preventive care
- Minor surgery under local anesthetic
- Women’s services
- Pharmacy
- Medical equipment
- Immunizations, injections and testing

For more information, visit the Medical Services website at http://www.wtamu.edu/student-support/medical-services.aspx.
Transfer Student Spotlight—Rose Wheeler

Classification: Junior
Major: Education – EC-6 ESL
Hometown: Amarillo

Transferred to WTAMU from: Amarillo College

Why did you decide to attend WTAMU? I can get the university feeling at a small town price and not be far away from home.

Three favorite things about WTAMU. 1) Campus-wide pride 2) Smart classrooms, 3) professors are mentors to students, not just teachers

Favorite place on the WTAMU campus. Top level of the bookstore

What activities are you involved in at WTAMU? Transfer Student Mentor

What was the hardest thing about transferring to WTAMU? Realizing I had 60 more hours to go!

What are your plans after you graduate from WTAMU? Graduate school at WTAMU

What advice would you give to new transfer students? Get involved and get to know all of the services available to you.

Favorite Quote: “Frankly my dear, I don’t give a damn.” – Rhett Butler

Did You Know?

- Counseling Services has support groups for students that meet regularly:
  - Grief Support Group on Mondays at noon
  - Substance Recovery Group on Tuesdays at noon
  - Mastering your Mind on Tuesdays at 3pm.

- You have to slide your Buffalo Gold Card at the HELC to get assigned to a computer. Once you are finished, you swipe it again to be logged out.

- There is a bowling alley in the basement of the activities center.

- All WTAMU students receive tickets to all athletic events, as well as theater events and the play “Texas” in Palo Duro Canyon, as part of their tuition and fees.

- You must see your advisor every semester before you are able to register for classes.
