Green Lighting & Advising

- All WTAMU students are required to be green lighted before registering for the next semester’s classes. Green lighting means that a student has been advised and is now eligible for registration.
- Juniors and seniors are advised through their departments; if you have not yet been assigned to an advisor, you will need to visit your department office.
- Freshmen and sophomores are advised through the STARR Center. Please schedule an appointment by calling 806.651.5300 or visiting the Student Success Center HUB. The first 1000 students to be advised/green lighted will receive a t-shirt.
- Don’t forget to check Buff Advisor to see if you have any restrictions that will keep you from registering for summer or fall courses. Parking tickets, money owed to Medical Service, lack of a final transcript – all of these will do it!

Campus Resources Spotlight—Study Abroad

Studying abroad is an experience you will carry with you throughout your life. It will not only expose you to a different and unique culture, but it will open doors in academic areas as well as future employment opportunities. Gaining experience through time spent abroad is something that no amount of classroom experience can simulate or replace.

At WTAMU you’ll have study abroad opportunities available for the summer, a semester or even a year. You could also join one of our short-term study abroad experiences with a faculty-led group for 2-4 weeks. All this, plus you get course credit and scholarship assistance.

Fore more information, check our their website at [http://www.wtamu.edu/academics/study-abroad.aspx](http://www.wtamu.edu/academics/study-abroad.aspx) or contact the Study Abroad Office at 651-5309 or studyabroad@wtamu.edu.

Did You Know?

- Commuter Programs provides a Donut Break, Popcorn Break, and Munch-n-More to students several times per semester.
- Student Medical Services offers free cold packs to students and provides medical services to all students.
Transfer Student Spotlight—Sergio Correa

Classification: Junior
Major: Criminal Justice - Administration
Hometown: Hereford

Transferred to WTAMU from: Amarillo College

Why did you decide to attend WTAMU? Close to home and has a great reputation

Three favorite things about WTAMU. 1) Lots of familiar faces, 2) campus is beautiful, 3) all the professors are very well educated and there are friendly people in every corner of the campus.

Favorite place on the WTAMU campus. The Cornette Library because it is quiet and everyone there is so helpful.

What activities are you involved in at WTAMU? Transfer Student Mentor

What are your plans after you graduate from WTAMU? Find a job in the Criminal Justice field in the Amarillo area

What advice would you give to new transfer students? Don’t be scared, give it a try and it will pay off at the end.

Transfer Student Spotlight—Jake Modery

Classification: Senior
Major: Pre-Dentistry/Biology
Hometown: Amarillo, TX

Transferred to WTAMU from: Texas Tech University

Why did you decide to attend WTAMU? To be closer to my family and friends

Three favorite things about WTAMU. I like the size of all my classes, quality of education I’m getting, and the Greek life.

Favorite place on the WTAMU campus. Jack B. Kelley Student Center

What activities are you involved in at WTAMU? I’m a member of the Alpha Tau Omega fraternity and am treasurer on the Inter-Fraternity Executive Council.

What was the hardest thing about transferring to WTAMU? The drive from Amarillo to Canyon! Transferring was extremely easy for me.

What are your plans after you graduate from WTAMU? Dental school, and then back to Amarillo to practice general dentistry.

What advice would you give to new transfer students? Get involved with organizations on campus!

Favorite Quote: “A pessimist sees the difficulty in every opportunity; an optimist sees the opportunity in every difficulty.” - Winston Churchill

“Get involved with organizations on campus!”

-Jake Modery
