

Understanding Your Transfer Equivalency Report

The Transfer Equivalency Report that you received from the Office of Admissions indicates the WTAMU credit that has been awarded from your transferring institution(s). Each institution has its own page, so if you attended more than one college/university, you will have multiple pages.

The table below lists the possible codes found in the "Status" column of your Equivalency Report.

Evaluation Equivalency Status Code Key		
10 = Core Communication I	11 = Core Communication II	C = Cancelled Course
20 = Core Mathematics I	21 = Core Mathematics II	NC = No Credit
30 = Core Natural Sciences I	31 = Core Natural Sciences II	TR = Transfer Credit
40 = Core Humanities I	41 = Core Humanities II	W = Withdrawn Course
50 = Core Visual/Performing Arts I	51 = Core Visual/Performing Arts II	A = Added Course
60 = Core History I	70 = Core Political Science	D = Dropped Course
80 = Core Social/Behavioral Sciences I	81 = Core Social/Behavioral Sciences II	N = New Course (registered)
90 = Core Institutionally Designated Option		X = Dropped prior to term beginning

- If the code is a number, the course corresponds to one of our Texas Core Curriculum requirements and will transfer.
- If the code is "TR," the course will transfer.
- If the code is "NC," the course cannot be transferred to WTAMU.
- If the WTAMU course number is 1000, 2000, or 3000, WTAMU does not have an equivalent course and the course is considered elective credit. If you believe one of the elective courses could fulfill a degree requirement, you will need to complete a substitution form with your Academic Advisor. ([link to form](#))
- If you have an equivalent course titled BAAS*1000, the course(s) has been determined to be a technical/vocational/occupational course and can only be applied to our Bachelor of Applied Arts & Sciences (BAAS) degree program. The maximum number of "BAAS" hours allowed towards a BAAS degree is 48 hours.

Important Note:

- Course transferability does not guarantee the course can be applied to your specific degree program. Please consult with Advising Services (806.651.5300) or your Academic Advisor to determine which transferred credits will apply to your chosen degree program.
- Transfer grades are recorded for your student record, but will not count towards GPA at WTAMU.
