

Dear 2011 Health Careers Fair Registrant:

Thank you for your interest in recruiting our students. You will find WTAMU students to be among the best in their respective fields and we are excited to have you on our campus to meet them.

**Event Details –**

**WHEN:** Thursday, October 27, 2011 (Registration and set up open at 11:00 AM – Networking Luncheon at noon and the Fair is open from 1:00 pm – 3:00 pm)

**WHERE:** Alumni Banquet Hall on the campus of West Texas A&M University

**WHO:** All WTAMU nursing and speech-language pathology/communication disorders majors.

Once again, our parking permit is a 3 page document . As with all university campuses, parking is at a premium and with construction and enrollment growth – our issues are compounded. With that being said ... here is the scoop for parking this year at West Texas A&M University. You have 2 options:

1. Park at our First United Bank Center (*noted with the red arrow on page 2 of this document*) and ride the WTAMU Shuttle to the Alumni Banquet Hall (ABH). If you choose this option, I strongly recommend dropping your display off on the west side of the ABH where our staff will be waiting to assist you - before you park your vehicle. The shuttle will pick you up when the fair ends – it runs throughout the day every 10-15 minutes.
2. Display the parking permit at the bottom of this page on your vehicle's dashboard, and park in Lot 16 (*as noted with the blue arrow on page 2 of this document*) then walk to the Alumni Banquet Hall. Again, you can drop your display off on the west side of the ABH where our staff will be waiting to assist you - before parking if you prefer.
