EFFECTIVE AND TERMINATION DATES

The Master Policy on file at The System becomes effective 12:00 a.m., September 1, 2008. Coverage becomes effective on that date or the date application and full premium is received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., August 31, 2009. Coverage terminates on that date, or if paying other than annually, at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the insured student. Coverage is in force 24 hours a day, anywhere in the world, for the entire term for which premium has been paid.

Benefits are payable under the Policy only for those covered expenses incurred while the Policy is in effect as to the Insured Person. No benefits are payable for expenses incurred after the date the Insurance terminates for the Insured Person.

You must meet the Eligibility Requirements listed in the Eligibility Section. The Company maintains the right to investigate student status and attendance records to verify that Policy eligibility requirements have been met. If the Company discovers that the Policy eligibility requirements have not been met, our only obligation is refund of premium.

Insured Persons entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro-rata refund of premium will be made for such person, upon written request received by the company within 90 days of withdrawal from school.

To avoid a lapse in coverage, your premium payment must be received within 14 days after the date your coverage terminates, based on the premium payment method you selected. It is the student’s responsibility to make timely renewal payments to avoid a lapse in coverage. The Company will send renewal notices to enrollees prior to the insured’s termination date to the address on file with the Company.

NEWBORN CHILDREN

In the event of the birth of a child to an Insured Person, the child will automatically be a covered Dependent from the moment of birth. Coverage will continue for 31 days. Payment to continue coverage must be remitted within 31 days, or the coverage will terminate for that child at the end of the 31 day period.

TERMINATION OF INSURANCE

Benefits are payable under the Policy only for those Covered Expenses incurred while the Policy is in effect as to the Insured Person. No benefits are payable for Expenses incurred after the date the Insurance terminates for the Insured Person, except those shown under Extension of Benefits.

CONTINUATION PLAN

If you graduate, leave, or terminate from The System, you may continue to be covered under this plan for the remainder of the Policy Year at premiums shown. If continuous coverage is maintained, you can re-enroll in the insurance plan for one additional Policy Year at a higher premium subject to the terms of the Policy in effect. Request for and payment must be received no later than 31 days prior to the original termination date. Contact the servicing agent for information. l) any other creditable coverage as defined by subsection (c) of Section 2701 of Title XXVII of the federal Public Health Services Act (42 U.S.C. Sec 300gg (c)).

DEFINITIONS

"Accident" means a specific unforeseen event, which happens while the Insured Person is covered under this Policy and which directly, and from no other cause results in an Injury.

"Covered Charge" or "Expense" as used herein means those charges for any treatment, services, or supplies that are: a) for Network Providers, not in excess of the Preferred Allowance; b) for Non-Network Providers, not in excess of the Reasonable and Customary Expenses; c) not in excess of the charges that would have been made in the absence of this insurance except for institutions, controlled or owned by state and/or local governments, which provide services to indigent and non-indigent patients; and d) incurred while this Policy is in force as to the Insured Person except with respect to any expense payable under the Extension of Benefits Provision.

"Deductible" means the amount of Expenses for covered services and supplies which must be incurred by the Insured Person before specified benefits become payable.

"Doctor" as used herein means: a) a legally qualified Doctor licensed by the state in which he or she practices; or b) a practitioner of the healing arts performing services within the scope of his or her license as specified by the laws of the state of residence of such practitioner; or c) a certified nurse midwife while acting within the scope of the certification.

"Domestic Student" is a student classified as a United States Citizen or eligible Non-Citizen (Permanent Resident or Refugee).

"Elective Treatment" means medical treatment which is not necessitated by a pathological change in the function or structure in any part of the body occurring after the Insured Person's Effective Date of coverage. Elective Treatment includes, but is not limited to: tubal ligation; vasectomy; sexual reassignment surgery; impotence (organic or otherwise); submucous resection and/or other surgical correction for deviated nasal septum, other than necessary treatment of covered chronic purulent sinusitis; treatment for weight reduction; infertility; complications arising from cosmetic surgery; circumcision; bunions; hammertoes; and impacted toenails. Elective Treatment includes breast reduction and breast implants except for breast reconstruction following a mastectomy as provided for in the Breast Reconstruction Expense Benefit. Elective Treatment includes immunizations except for childhood immunizations as provided for in the Childhood Immunizations Expense Benefit.

"Experimental or Investigational Care" means a service or supply; a) that We, in Our discretion, determine is not commonly and customarily recognized as being safe and effective for the particular diagnosis/treatment; or b) which requires approval by any governmental authority and such approval has not been granted before the service or supply is furnished.

We may rely upon the advice of medical consultants and commonly recognized national medical organizations in determining which services or supplies are experimental or investigational.

"Home Country" means the country from which the Insured Person holds a passport. Where the Insured Person holds more than one passport, the Home Country will be the country that the Insured Person has declared with the Company.

"Hospital" means a facility which meets all of these tests: a) it provides inpatient services for the care and treatment of injured and sick people; and b) it provides room and board services and nursing services 24 hours a day; and c) it has established facilities for diagnosis and major surgery (except for a mental institution that contracts with a Hospital for major surgery); and d) it is supervised by a Doctor; and e) it is run as a Hospital under the laws of the jurisdiction in which it is located.

Hospital does not include a place run mainly: (a) for alcoholics or drug addicts; (b) as a convalescent home; (c) as a nursing or rest home; or (d) as a hospice facility.
DEFINITIONS (CONTINUED)

“Hospital Confinement” means a stay of 18 or more consecutive hours as a resident bed-patient in a Hospital.

“Injury” means bodily injury caused by an Accident which is the sole cause of the Loss. All injuries due to the same or a related cause are considered one Injury.

“Insured Person” means an Insured Student and his or her covered Dependent(s) while insured under this Plan.

“Insured Student” means a student of the Policyholder who is eligible and insured for coverage under this Plan.

“International Student” is a student classified as a Non-Immigrant and who has not been granted permanent residency in the United State. For example, students holding visa types: “F” (Student), “J” (Exchange Visitor), “B” (Tourist), or “A” (Diplomat).

“Loss” means medical expense covered by this Policy as result of Injury or Sickness as defined in this Policy and other expenses as specifically covered.

“Medical Emergency” means the unexpected onset of an Injury or Sickness which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in: a) placing the health of the individual in serious jeopardy; b) serious impairment to bodily functions; c) serious dysfunction of any bodily organ or part; d) serious disfigurement; or e) in the case of a pregnant woman, serious jeopardy to the health of the fetus. A Medical Emergency does not include elective or routine care.

“Medically Necessary” means that a service or supply is necessary and appropriate for the diagnosis or treatment of an Injury or Sickness based on generally accepted current medical practice. A service or supply will not be considered as Medically Necessary if: a) it is provided only as a convenience to the Insured Person or provider; b) it is not the appropriate treatment for the Insured Person’s diagnosis or symptoms; or c) it exceeds (in scope, duration or intensity) that level of care which is needed to provide safe, adequate, and appropriate diagnosis or treatment. The fact that any particular Doctor may prescribe, order, recommend, or approve a service or supply does not, of itself, make the service or supply Medically Necessary.

“Network Providers” are Doctors, Hospitals, and other healthcare providers who have contracted to provide specific medical care at negotiated prices.

“Non-network Providers” have not agreed to any pre-arranged fee schedules.

“Preferred Allowance” means the amount a Network Provider will accept as payment in full for Covered Charges.

“Reasonable and Customary Expenses” means fees and prices generally charged within the locality where performed for Medically necessary services and supplies required for treatment of cases of comparable severity and nature.

“Sickness” means sickness or disease which is the sole cause of the Loss. Sickness includes both normal pregnancy and Complications of Pregnancy. All sicknesses due to the same or related cause are considered one Sickness.

“We”, “Us”, and “Our” means Delos Insurance Company.

“You” and “Your” mean the Insured Person.

DETERMINING REASONABLE EXPENSES

Expenses incurred within the PPO Network are based upon negotiated fee schedules with providers. Reasonable Expenses incurred outside of the PPO Network will be based on the Ingenix survey of prevailing fees, valued at the 70th percentile, in the area where the service is provided.
SUBROGATION

If we pay covered Expenses for an Accident or Injury you incur as a result of any act or omission of a third party, and you later obtain recovery from the third party, you are obligated to reimburse us for the amount recovered, up to the amount of your benefits we have paid under this plan. We may also take subrogation action directly against the third party. Our Reimbursement and Subrogation rights are subject to deduction for the pro-rata share of your costs, disbursements and reasonable attorney fees. You must cooperate with and assist us in exercising our rights under this provision and do nothing to prejudice our rights.

The Policy will coordinate benefits as outlined in the Master Policy.

CONTINUOUS INSURANCE

Persons who have remained continuously insured under the Policy, and have prior creditable coverage, will be covered for a Pre-existing Condition that originated while so continuously insured, provided continuous insurance is maintained.

Previously Insured persons who are re-enrolled for coverage within 63 days of termination of prior coverage, will have maintained continuous coverage. A person who is not so re-enrolled will have a break in continuous insurance and will not be covered for any Pre-existing Condition that originated before or during such break.
CONTINUOUS INSURANCE (CONTINUED)

The total benefits payable under the Policy, for any one Injury or Sickness, shall not exceed the “specified” Maximum Benefit amounts.

“Prior Plan” means the group or blanket accident and sickness Student Health Insurance policy or policies issued to the Policyholder immediately before the current Policy.

“Injury” or “Sickness” shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Policy without a break in coverage.

No Benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Policy.

Previously insured Eligible Students and Dependents must re-enroll for coverage within 30 days of the end of the prior coverage in order to avoid a break in the coverage for conditions which existed in prior Policy Years. OPTIONAL
DENTAL/VISION/PHARMACY DISCOUNT PLAN

Additional premium required (see rates listed below).

No Claim forms
No Waiting Periods
No Pre-existing Conditions
No Deductibles or Maximums
No Age Restriction
Discount is immediate at time of service
Over 100,000 participating providers nationwide

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today’s College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending The Texas A&M University System.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the “Collegiate Plan” we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here’s how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You get your discount/savings on the spot. There are no exclusions for “pre-existing” conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
