29. What is the meaning of empfindsam style? Traits? Composer?

30. SR: Who is the author and work? What's his point?

31. (478) What are the terms that describe "classical"?

32. NOTE: The term preclassic used to be applied to composers before Haydn and Mozart. It was dropped because no one could define the beginning of the classic period precisely (by date or trait or anything else). The term substituted has been early classic. I thought we had gotten away from preclassic. I hope this is not a step backwards.

33. What are the dates of the Classic period? What are other acceptable terms? What terms for styles?

34. The German term to describe the spinning out of a melody is Fortspinnung. I'm not certain why that disappeared, but the concept in English is back again.
