West Texas A&M University

TRANSFER PLAN for Biology, Wildlife Biology, Biotechnology
Bachelor of Science (B.S.) at WTAMU; A.S. at Amarillo College

Please note that not all courses may be offered each semester at the community college. Check with your counselor for availability of courses, as well as the option to pursue an associate’s degree.

EXPLANATION OF NOTES

*West Texas A&M University’s requirements are consistent with the 42-hour Texas core curriculum. If a student completes a component of the core at one Texas institution, that block of courses will be substituted for WTAMU’s same core component(s). Furthermore, core curriculum requirement courses may also be fulfilled by approved courses at WTAMU.

**Additional Program Foundation courses are required. These may be completed at Amarillo College or WTAMU.

***A course may satisfy only one core area. For example, HUMA 1315 will satisfy either Humanities (40) or Visual and Performing Arts (50), but not both.
