Lab classes will have the final exam the last official class meeting date prior to dead day and finals beginning.

Online courses will have a final/project that must be submitted during the time finals are under way and must close submission by 10:00 p.m. the last day of finals.

In some cases, students may find minor time overlaps for finals. In this instance they should consult with their faculty.

NOTE TO FACULTY: If you do not see your class day/time listed please contact Office of the Registrar for direction. Classes are allotted 2 hours for final exams. Anything beyond the approved date/time frame must have approval from the Provost's Office and be scheduled so as not to conflict with other scheduled exams which are complying with the 2 hour limit.

Final Grades for 2023SP are due by 9 a.m. Monday, May 15, 2023.
