

# Orientation Family Sessions Schedule Day 1

**Hello Families!**

**We're so excited to have you with us for Family Orientation! While your student is required to attend all scheduled events, please know that the family portion is completely optional.**

**Your student will be participating in their own orientation experience and will be with their group for the next two days—so be sure they have everything they'll need before you part ways.**

**We've designed these sessions to help you feel informed, connected, and confident as your student begins this exciting new chapter. We hope you leave feeling encouraged and prepared to support them every step of the way.**
