

# Thinking of studying abroad?

Ask yourself these questions to get started:

## 1

### WHAT ARE YOUR STUDY ABROAD GOALS?

Do you hope that studying abroad advances your language skills, personal skills, or business skills? Do you anticipate a new vantage point in social sciences? Are you interested in a career abroad?

## 2

### WHAT ARE YOU LOOKING FOR IN A NEW CULTURE? ARE THERE ANY SPECIFIC DESIRES OR EXPECTATIONS YOU HAVE WHILE PURSUING EDUCATION ABROAD?

We believe each and every culture is rich and colorful, providing students unique experiences and opportunities.

## 3

### HOW LONG DO YOU WANT TO STUDY ABROAD?

Study abroad programs can be for a few weeks, an entire summer, a semester or even a year. What would you prefer?

## 4

### WHERE DO YOU WANT TO STUDY ABROAD?

While you don't have to know this right away, is there any place in the world where you see yourself? In which continent or country is it? Is it a small or a large city?
