<sup>1</sup> **CORE:** There is no set order in which core courses must be taken.

<p><b>Identified Marketable Skills</b></p> <p>Oral/Written Communications – Career Management – Teamwork/Collaboration – Professionalism/Work Ethic</p>	<p><b>Top Three Local Employers or Industries/Professional Programs/Possible Career Opportunities</b></p> <p>Preparation for Texas teacher certification in Physical Education – Focus on physical education curriculum and skill acquisition for elementary, middle, and/or high school instruction – Potential for additional teaching field preparation through additional content emphasis courses</p>
---	--

**Additional notes:**

- The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
- At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.
- This degree track prepares the student for employment opportunities in public school education upon graduation; with purposeful concentration of elective hours in an instructional subject, student may have preparation in alternate content emphasis. Prior to graduation, a student will complete clinical teaching, TExES Exam 160, and TExES Exam 158 as requirements for Texas teacher certification. - **Important sequencing:** SES 3321 is spring only; admission into the Educator Preparation Program (EPP) is required to enroll in EPSY 3341; EPP courses must be completed in sequence and prior to clinical teaching (EDPD 4398 and EDPD 4399).

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 30 hours. Students should always seek the advice of their academic adviser before scheduling classes.
