¹ **CORE:** Psychology majors are required to take specific courses for Core 10, Core 20, and Core 80. For all other categories, they may select from any available options (see degree checklist). Apart from the major-specific core requirement, there is no set order in which core courses must be taken.

Additional notes:

- The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
- At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.
