NOTATIONS:

MINIMUM HOURS: At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU.

MAXIMUM DISCIPLINE HOURS: Students are required to declare a major after completing 30 credit hours. Depending on the degree for that major, a maximum number of credit hours in one academic discipline may count toward that degree. An academic discipline is designated by a course prefix, such as ENGL for English or POSC for political science. Music courses (whether MUAP, MUEN, MUMI, or MUSI) are counted as one academic discipline. Education courses (whether EDEC, EDEL, EDPD, EDRD, EDSE, EDSP, EDT, or EPSY) are counted as one academic discipline. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses may count toward a baccalaureate degree. A maximum of 30 semester hours in business courses (ACCT, BUSI, CIDM, ECON, FIN, MGT, MKT), including 6 semester hours in the Core Curriculum, may count toward this degree.

NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours.

Additional notes:

- The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

- At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student’s official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 30 hours. Students should always seek the advice of their academic adviser before scheduling classes.
