

T-Shirt Pricing Sheet

Art Design: \$25

We will work closely with you to design something that exceeds your expectations. This price includes two rounds of revisions to make sure you love what you see. After you receive the artwork, if you need more revisions to the artwork, it is just \$15 more per round of revisions.

Set Up Fee: \$25

This is a one-time fee. This helps us get things going. No matter what color or quality of shirt, or number of colors you want printed on it, it's just \$25 to get things started.
