WELCOME

Welcome to the WT Dance Academy Family!

We would like to personally welcome you to the WT Dance Academy. Thank you for completing the on-line registration form and enrolling your dancer for the 2021-2022 year. Our staff is very excited to see your dancer in class. Each class is specifically designed and taught by dance majors that are currently pursuing their BFA degree in Dance from West Texas A&M University.

Here at the Academy, students realize their artistic potential while achieving an appreciation for dance and individuality through class instruction, choreography, and stage performance. Classes begin August 30, 2021!

Please read over our handbook as the intention is to help answer any questions you may have while you are with us. However, please always feel free to reach out to our office if needed. In terms of safety, the WT Dance Academy adheres to university guidelines, operates and takes preventative measures to help our staff and dance families stay healthy and safe. We know how important it is for your dancer to stay dancing and we will do everything we can safely in our studios while keeping them active and learning.

Thank you for choosing WT Dance Academy!

COVID-19 Statement

As an institution, WT is planning for a complete return to normal operation. At this time, masks will not be required on-campus. However, participants may choose to wear masks and are encouraged. While there is much debate about the current state of the pandemic and the country's vaccination program, it is the strong recommendation that student's that are eligible, receive a COVID-19 vaccination.

WT Dance Academy and their families should remain observant for any signs of COVID-19 symptoms (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>).

Participants should not come to class if symptoms exist and should notify the WT Dance Academy office if a student receives a positive COVID-19 test result or becomes exposed to someone that has received a positive COVID-19 test result while participating in the Academy.

Participants or families that have been exposed to a confirmed case but have not been in classes during the entire period of infectious risk as defined by the CDC will not be permitted to come back to classes until after their quarantine period outlined by the CDC and the Department of Health.

Further, the WT Academy will strictly follow the guidance and counsel of university protocols as regards to further notices and other actions. Again, this information presents itself in the online release when registering.

We appreciate the trust of our families to allow us to provide a safe environment and will continue to make every effort to keep our staff and students healthy.

The Academy does not offer classes with a remote option. Each family is encouraged to make their own decision about coming to the studio. Please do what you feel comfortable with and what makes the most sense for you and your family.

1. General Protocol

- a. The water fountain is re-opened, but we recommend all dancers to bring their own water bottle to class.
- b. Hand sanitizer is in each studio and participants will be asked to use hand sanitizer when entering and exiting the space. We encourage frequent handwashing at home before and after class.
- c. Encourage your dancer to cough and sneeze into their arm, not in their hand.

2. Cleaning

The Academy will remain to hold standards put forth by the University with maintaining the cleanliness of our studios and providing the dancers with a safe environment to learn in.

16. In case of an emergency and a dancer must be taken from the class, please visit with the office or check out with the teacher before pulling your student out of class. Thank you for your courtesy on this matter. We try to keep a calm and focused atmosphere for all dancers in class.
17. For younger dancers, please walk them into the building and pick them up from the studio at the exact time of class start and ending. Otherwise, drop off and pick your dancer at the west entrance of Mary Moody Northern Hall. Pick up your dancers on time to avoid dancer having to wait.
