

Become a
**COMMUNITY
HEALTH WORKER**

Now enrolling for SPRING
February 17 - May 31
Online Course

Bridge to Excellence CHW Workforce Development

**Register Now for
SPRING 2026!**

Program is certified by the Texas Department of State Health Services (DSHS) and provides **180 contact hours towards certification.**

Participants will learn the basic **nine core competencies of a community health worker** and applications of these competencies in a community and healthcare environment.

CHWs will acquire skills in outreach, patient navigation, follow-up services, community health education, informal counseling, social support, advocacy, and participation in clinical research.

Who can become a Community Health Worker?

- Someone who wants to make a difference in their community
- Must be at least 16 years old
- Texas resident
