\* Course related to thesis track for graduation

\*\* Course related to comprehensive examination process

The thesis option will add 6 hours to your degree plan. The thesis option requires you to identify a topic, a chair, and a committee within the first semester of graduate school.

Graduating from our graduate program meets all Texas licensure requirements as indicated by the Texas Department of Licensing and Regulation (TDLR). WTAMU's graduate program is also accredited with the CAA/ASHA.
