

Leveling Advising Form

To level in the Speech, Language, and Hearing Sciences' (SLH) program at WTAMU you must apply to the WT Graduate School as a second bachelor's degree seeking student and have a 3.0 for a minimum GPA. You can find the Graduate School application at <https://www.wtamu.edu/academics/graduate-school/apply/index.html#apply>

Once you are accepted to the Graduate School as a leveler you will then complete the department application, which you can obtain via the graduate school or by contacting Dr. Brian Spencer, pspencer@wtamu.edu We only have fall admission at this time. Once I receive your application and get it processed, I will email you with next step information.
