Herd

WT WEST TEXAS A&M
UNIVERSITY™

BE **YOU** AT WT

West Texas A&M University is home to students and faculty who want to change the world, either in their own backyard, across the country, or around the globe. If you are looking for a place where you can find your passion, become who you want to be, and make a difference along the way, then WT is where you belong.

WT offers 60 undergraduate programs, 45 graduate programs (including 2 doctoral programs), and over 40 online degrees. From Accounting to Wildlife Biology, we have a field of study for everyone. Our programs, taught by world class faculty, will challenge you to think outside the box, and help you grow into the leader, scholar, nurse, teacher, engineer, artist, researcher, or producer that you want to be.

OUR TRADITIONS

Live Mascot

Student body voted in unison in 1921 to make the buffalo our mascot. First live buffalo was purchased in 1922. Steadfast pillar of strength, honor, and majesty.

Buffalo Stampede

Buffalo Stadium comes to life when Thunder runs across the field to kick off every home football game.

Homecoming Weekend

WT alums, students and families gather on campus one weekend every October to enjoy football, food and good times.

Eternal Flame

Represents the burning desire and quest for knowledge. Visit the Eternal Flame in Victory Circle just west of Old Main.

CAMPUS LIFE

Student Organizations

Get Involved! Explore your passions and develop leadership skills with more than 100 student organizations. Find your place based on academic and professional interests, hobbies, recreation, service or religion.

NCAA Division II Athletics

WT boasts one of the top NCAA Division II athletic programs in the nation. Support the Buffs at sporting events like football, baseball, basketball, softball, soccer, and volleyball to name a few. Put on your WT pride and support your Buffs! Keep up with WT Athletics at gobuffsgo.com

Residential Life

Residence life at WT is a unique experience! Through the Meta Majors housing initiative, you have the opportunity to live in residence halls with other students in similar majors. Living and studying with peers helps you become more engaged and connected with the university, and studies show connected students are more successful students!

BUFF WELLNESS

We believe our students should have access to resources for both body and mind, because a happy, healthy Buff is a successful Buff. These are just a few of our wellness resources!

BUFF BRANDING

Starting college is a big event! Buff Branding is designed to help minimize nervousness and anxiety, make certain you understand the expectations associated with your academic experience, and officially "brand" you as a member of the Buffalo family.

COUNSELING SERVICES & TELUS

Life as a college student can be challenging. WT understands you may need support during the school year, and we are here to help – either in person or with TELUS, our mental health support app with 24/7 access to professional counseling.

ACCESSIBILITY SERVICES

WT is committed to providing all students with equal access to a quality education. Accessibility Services is an advocate for students with disabilities. Contact us to talk about your needs!

WT OUTDOORS

Part of Recreational Sports, WT Outdoors offers students the opportunity to explore the Great Outdoors. Tackle rock climbing at our 40-foot indoor Climbing Tower or take a hiking trip to nearby Palo Duro Canyon – ask about our Adventure Trips and Skills Clinic!

CAMPUS SPA

One of our favorite events, the Campus Spa happens at the end of every long semester to help you get ready to tackle finals!

MEDICAL SERVICES

Student Medical Services provides high-quality, confidential, holistic health care services to our students while minimizing costs. We are committed to maintaining the physical and mental well-being of our students to enhance their educational experience and overall academic success.

STUDY **ABROAD**

Study abroad is an experience you will carry with you throughout the rest of your life. You get a unique opportunity to immerse yourself in a different culture, gain new perspectives, and develop valuable skills for the globalized world.

“You are not just a traveler. As an intern, my experiences have taught me that being in a foreign land transcends mere tourism; it entails immersing oneself in the local culture, fostering meaningful connections, and actively contributing to the community, ultimately becoming a cherished part of something greater than oneself. Through this journey of becoming more than just a traveler, I have discovered the profound joy of embracing new cultures and the deep fulfillment that comes from giving back to the places that welcomed me with open arms.”

- Filiberto Avila

“In the Dominican Republic, I found a freedom that went beyond just studying abroad. It was a freedom of the soul. A freedom from judgment and expectations. A freedom to simply be myself and embrace the world around me. I experienced a great sense of joy and fulfillment when I helped others through projects like constructing bottle homes for the underprivileged and offering my services to a doctor. As I reluctantly boarded the plane to leave, I carried with the memories and pictures of a place that had touched my heart in ways I never could have imagined.”

- Kaila Silva

ACADEMIC **SUPPORT**

ADVISING

More than just schedule makers, Academic Advising helps you map a plan for academic success and ensure your goals are met.

CORNETTE LIBRARY

A cornerstone of academic support, our library has countless research databases, study spaces (and study bikes!), in-person librarians, and a 24/7 chat tool with live librarians across the country.

WRITING CENTER

Get help with all stages of the writing process, from brainstorming ideas to final revisions. And no, it's not just for English majors!

MIIC

Our open-access computer lab has 350 computers, both PC and Mac, available 7 days a week, plus printing and an IT Helpdesk.

MATH LAB

The student math lab provides tutoring in math from Beginning Algebra to Calculus II (Math 0302 - Math 2414). The lab is equipped with textbooks, computers, calculators and whiteboards, all in a study hall atmosphere!

TUTORING ASSISTANCE

Have trouble with core classes, or lack confidence in your study skills? TAP is here to help! Either one-on-one or small groups, it's your choice.

YOUR **EDUCATION** IS WITHIN REACH

Tuition

	Texas Resident Living on Campus	Non-Texas Resident Living on Campus
Annual Cost:	\$19,013	\$20,725

Don't let the "sticker price" scare you - there are many kinds of financial aid and scholarships available to WT students. Most students pay thousands of dollars less than the actual cost of attendance.

Here are some ways WT students get help paying for college:

NO-COST-TO-STUDENT TEXTBOOKS

At WT, in all classes that are part of the core curriculum, students will not have to pay for textbooks. This initiative can save a freshman student up to \$2,200 in textbook expenses over their first two years of college.

BUFF PROMISE

WT's Buff Promise program covers fall and spring in-state tuition for undergraduate Texas residents who have an annual family income of \$80,000—the median income level for our region—or less. Buff Promise is designed to reassure academically talented students from low- and middle-income families in Texas who may not feel that a university education is possible.

TYPES OF FINANCIAL AID

- Grants
- Loans
- Scholarships
- Student employment
- Veteran benefits
- Work Study

**Scan the QR code

SCHOLARSHIPS

WT awards approximately \$8 million each year in scholarships to new and continuing students, with the average award totaling \$1,500 per year.

Students who demonstrate academic excellence, leadership and special talent are considered for University scholarships. Apply for scholarships at wtamu.edu/scholarships.

Freshman Scholarships

Submit your best SAT/ACT scores to qualify for WT Merit Scholarships. If your scores meet or exceed the appropriate criteria, you will qualify for the corresponding scholarship amount.

December 1st is the priority deadline for incoming freshmen scholarships, so apply early!

Merit Award Level	Amount Per Year	ACT or SAT Score*	High School Class Rank	
President's Scholar	\$8,000	30/1360	AND	Top 5%
Provost's Scholar	\$4,000	26/1230	AND	Top 10%
Honor Scholar	\$3,000	24/1160	AND	Top 15%
Academic Scholar	\$1,500	22/1100	AND	Top 25%

Transfer Scholarships

WT offers automatic scholarships of up to \$3,500 for transfer students. Visit wtamu.edu/TransferScholarships to review the required criteria and to see additional scholarships opportunities.

FRESHMAN ADMISSION

Apply as a Freshman if you plan to attend college right after high school, or if you have not previously enrolled at a college or university. Do you have dual credit hours? You will apply as a Freshman!

Freshman Requirements

High School Rank		GPA		SAT/ACT
Top 35%	OR	3.0 or higher	OR	21 composite ACT / 1070 composite SAT

Steps to Apply

STEP 1

Complete the online application at wtamu.edu/apply

STEP 2

Submit documents to WT:

- Official high school transcript
- SAT/ACT scores when available*
 - ACT code 4250
 - SAT code 6938

*SAT and ACT are optional for admissions but are used for many university scholarships.
