### TEXAS SALES AND USE TAX EXEMPTION CERTIFICATE

WEST TEXAS A&M UNIVERSITY  
WTAMU BOX 61001  
CANYON, TEXAS 79016-0001  
806.651.2105 • 806.651.2109 FAX

I, the purchaser named above, claim an exemption from payment of sales and use taxes for the purchase of taxable items described below or on the attached order or invoice form:

Purchaser claims this exemption for the following reason:  
Higher Education Agency of the State of Texas

I understand that I will be liable for payment of sales of use taxes which may become due for failure to comply with the provisions of the Tax Code: Limited Sales, Excise and Use Tax Act; Municipal Sales and Use Tax Act; County Health Services Sales and Use Tax; The Texas Health and Safety Code; Special Provisions Relating to Hospital Districts, Emergency Services Districts and Emergency Services Districts in counties with a population of 125,000 or less.

I understand that it is a criminal offense to give an exemption certificate to the seller for taxable items that I know, at the time of purchase, will be used in a manner other than that expressed in this certificate and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.

THIS CERTIFICATE DOES NOT REQUIRE A NUMBER TO BE VALID.

Sales and Use Tax "Exemption Numbers" or "Tax Exempt" Numbers do not exist.

Vendor represents and warrants ("EIR Accessibility Warranty") that the electronic and information resources and all associated information, documentation, and support that it offers to provide to the Agency under this purchase order (collectively, the "EIRs") comply with the applicable requirements set forth in Title 1, Chapter 213 of the Texas Administrative Code and Title 1, Chapter 206, Rule 206.70 of the Texas Administrative Code (as authorized by Chapter 2054, Subchapter M of the Texas Government Code.) To the extent vendor becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then vendor represents and warrants that it will, at no cost to Agency, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that vendor is unable to do so, then the Agency may terminate this Agreement and vendor will refund to the Agency all amounts the Agency has paid under this purchase order within thirty (30) days after the termination date.

## TERMS, LIENS, AND CONDITIONS

Customer agrees to the following terms and conditions in regard to the purchase of the equipment, parts or repairs described on the front of this agreement (these terms and conditions include the information on the front of this agreement and the terms and conditions stated within the Customer's credit application and rental agreement, if any, all of which are part of this agreement):

**Inspections; Acceptance of Parts and/ or Equipment.** Customer represents and acknowledges that it has inspected the goods, services and equipment purchased by Customer from Associated Supply Company, Inc. ("ASCO"), finds the same to be in satisfactory condition, properly operating, and fit for the use or purpose intended by Customer. Customer acknowledges that the equipment or parts purchased have been selected solely by Customer for the purpose such equipment or parts are to be used and without reliance on ASCO or its employees, and that ASCO (i) has not selected the equipment or parts purchased, and (ii) is not responsible for the suitability of the equipment for the use Customer intends. **Customer agrees that except as expressly set forth in this agreement, ASCO is not liable for and makes no warranties, either express, implied, or by operation of law, as to any matter whatsoever including, without limitation, the condition of the equipment or parts, its merchantability, or its fitness for any particular purpose, and Customer releases ASCO to the fullest extent allowed by law from any warranties, express, implied or arising by operation of law. There are no warranties which extend beyond the description of the equipment or parts on the front of this agreement.**

**Lien and Security Interest Related to Repair Work.** Customer hereby authorizes all repair work to be done along with materials therefore and other repairs and materials incidental thereto. ASCO's employees may operate the above vehicles for purposes of testing, inspection or delivery at Customer's risk. An express possessory lien under Chapter 70, Subchapter A of the *Texas Property Code*, and a Security Interest under Title 1, Chapter 9 of the *Texas Business and Commerce Code (Uniform Commercial Code – Secured Transactions)* is granted to ASCO upon the machines, equipment and vehicles being repaired to secure all charges for labor, materials, and related expenses. Possession of the machines, equipment and vehicles may remain with ASCO until all charges are paid or arrangements satisfactory to ASCO are made. ASCO will not be held responsible for loss or damage to machines, equipment, or vehicles or articles left therein in case of fire, theft, accident or any other cause beyond ASCO'S control. Repairs are warranted for 90 days after the date of the repair; however, no warranty will apply if the invoice for such repairs is unpaid.

**NOTICE OF RIGHT TO TAKE POSSESSION OF EQUIPMENT FOR UNPAID REPAIRS.** *As indicated by its signature on the front of this agreement, Customer agrees that the equipment repaired by ASCO is subject to repossession in accordance with Section 9.609 of the Texas Business and Commerce Code if payment of a check, money order, or a credit card transaction is stopped, is dishonored because of insufficient funds, no funds on deposit, or because the drawer or maker of the check, money order or the credit card holder has no account or the account has been closed.*

**Security Interest.** Title to the goods, services and equipment will remain with ASCO until the total purchase price of goods, services and equipment has been paid in full. Customer grants to ASCO an express security interest under Title 1, Chapter 9 of the *Texas Business and Commerce Code* in the goods, services, and equipment to secure all charges therefore. In event of default in payment for the goods, services and equipment described herein, no further charges or purchases will be allowed. Purchaser further agrees to pay all costs of collection or enforcement hereof, including reasonable attorney's fees, for charges not paid that are more than 30 days past due. **Exclusive jurisdiction and venue for any litigation between Customer and ASCO is in any district court or county court of law of Lubbock County, Texas. CUSTOMER HEREBY UNCONDITIONALLY WAIVES ITS RIGHTS TO A JURY TRIAL.**

### **Parts Policies:**

- Back ordered items will be shipped as soon as available.
- Electrical parts are non-returnable.
- Special order parts and parts "made as ordered" are non-refundable.
- Cores must be returned for credit within 10 days of purchase.
- Returned parts must be accompanied by a packing list or invoice and are subject to a 15% restocking charge.
- Claims for shortages or damages must be received within 5 days of sale.

**Limitation of Purchaser's Remedies.** The Customer's remedies, in the event of any claim made by the Customer against ASCO with respect to the goods, services and equipment sold here, shall be limited to return of such goods and equipment and repayment of the purchase price therefore or to repair and replace nonconforming goods, services and equipment. No consequential damages are permitted against ASCO in connection with the sale or the use of the goods, services and equipment sold here.

**Indemnification.** *To the fullest extent permitted by law, Customer agrees to indemnify and hold harmless ASCO from and against any and all liability, suits, claims, demands and actions, and costs and expenses, including reasonable attorney's fees, loss of profit, business interruption or other special or consequential damages, damages relating to property damage, bodily injury, or damages relating to wrongful death, claimed against ASCO, and any of ASCO's officers, directors, agents, or employees, arising out of or related to the services, parts, equipment, supplies, goods and services furnished here, whether caused in whole or in part by the negligence of ASCO; however, this paragraph is not intended to indemnify ASCO for the replacement costs thereof as set forth above or parts, services or equipment supplied by ASCO which has been expressly warranted in writing.*

**Service Charge.** All accounts past due 30 days will be charged a service charge at the periodic rate of 1 ½% per month, which is an annual percentage rate of 18%.

Steven

Warren Cat is on the list and one of the quotes was from them.

I contacted Brooke at WSCA, Inc. and Ian at Wear Parts and Equipment, they are not able to help us with our needs.

Does this work for your records? We are comfortable going with Warren Cat (they are already vendors).

Please let us know what to do next.

Thank you,

Amy,

I have searched the State Comptroller's website for HUB vendors that sell this type of equipment, see attached. I am happy to send some of them an email to solicit a quote from them. All I need are the specifications of what you are looking to purchase. Thank you.
