*** Distance education students (online only classes) have these fees waived; a Distance Education Fee of \$57.50/SCH is billed instead**

Course-based, Differential Tuition is charged by the following Colleges/Schools:

College of Agriculture and Natural Sciences Differential Tuition - \$26.55 per SCH

College of Business and Engineering/Computer Science Differential Tuition - \$37.75 per SCH

College of Nursing Differential Tuition - \$44.35 per SCH

All international students are billed \$75 per semester for international student services.

F1 Visa status students are also charged an international insurance fee that changes each semester and that is set by the insurance provider; this fee is waived for online-only international students.

International students who receive a WT scholarship in the amount of \$1000 or more may qualify for a waiver. Students who qualify for Texas residency for tuition purposes are also eligible for a waiver. Contact the International Students Office for information.

State tuition rates are not part of the guaranteed formula. Any change in the State's rate for NON-US residents will take effect at the discretion of the Texas State Legislature; designated tuition and all fees remain static for the 4-year academic period from when the student enrolls at WT.

Tables are updated in April for the next academic year's rates, beginning with the upcoming Fall semester.

*** Tuition and fee rates are for budget purposes only and are subject to change without notice by the Legislature or TAMUS Board of Regents.**
