

A WORLD OF
POSSIBILITIES

**West Texas A&M University
will prepare you to thrive in a
dynamic, global environment.**

Today's world — tomorrow's, too — is one of constant change, but WT will teach you how to flourish amid uncertainty, to appreciate human creativity and to acquire the skills needed to contribute to society.

At WT, we provide a distinctive mix of faculty excellence and individualized attention to create a superb learning environment for our students. By studying with us, you will learn to critically analyze issues, appropriately apply technology and effectively communicate ideas. You will have the opportunity to study agriculture, environmental science, business, education, music, nursing, engineering and the natural sciences or any of the dozens of other fields we offer.

Here, you will be challenged to learn, to develop an appreciation of the arts, literature and different cultures and to grow intellectually and socially. At WT, your intellectual and personal growth will take place not only in the classroom, but also in the many social, athletic and extracurricular activities offered on campus.

.....

THE WEST TEXAS A&M UNIVERSITY COMMUNITY
WELCOMES YOU.

IMAGINE YOUR FUTURE.

HIGHLIGHTS

WT is a part of the Texas A&M University System and provides approximately 60 different undergraduate programs, 40 graduate programs and two doctoral programs

WT offers a private school experience with the benefit of lower public school tuition

Save approximately 50% on tuition costs when you receive a university scholarship of \$1,000 or more per year

A \$1,000 scholarship + 50% lower tuition = Big Savings

Scholarships are renewable based on eligibility

Ability to complete some degree programs all-online from home country

Dedicated International Student Services staff that will assist you through the application, admission and student visa process

BENEFITS

Admission to undergraduate programs is based on foreign high school grades and proof of English proficiency

SAT and ACT results not required for admission decisions

Admission to graduate programs is based on undergraduate degrees from home country, proof of English proficiency and specific program requirements

WT has many graduate degree programs that do not require the GMAT or GRE for admission decisions

Named safest campus in Texas and top 10 safest campuses in the US

Beautiful campus located in Canyon, Texas

INNOVATIVE SCHOOL . BIG IDEAS.

West Texas A&M University is a growing, vibrant campus where innovative ideas thrive and meaningful careers are born. Not only does WT have faculty who have distinguished themselves in research and teaching, but they also have a genuine commitment to helping students succeed.

WT provides a unique blend of liberal arts and career-oriented educational opportunities, quality instruction, selective admissions, affordable cost and a friendly and safe campus atmosphere. WT serves a diverse student population of almost 10,000 students with approximately 250 international students representing 55 different countries. The University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, master's and doctoral degrees.

DISCOVER. EXPLORE. DREAM BIG.

From world-class performance facilities to state-of-the-art engineering labs, WT has the right tools to help students succeed. The University's Hastings Electronic Learning Center has computers stationed throughout its five classrooms and open-access computer lab. The chemistry facilities include a solids and liquids NMR (nuclear magnetic resonance) for structure elucidation and chemical characterization. Other laboratories on campus include the Bell Helicopter Engineering Laboratory and the Brown Consulting Engineers Thermal and Fluids Laboratory. Plus, WT faculty make sure students receive a thorough and rigorous education that combines real-world, hands-on experiences to prepare them for challenging and fulfilling careers.

UNIVERSITY STRUCTURE

The University consists of six colleges, one school and a graduate school:

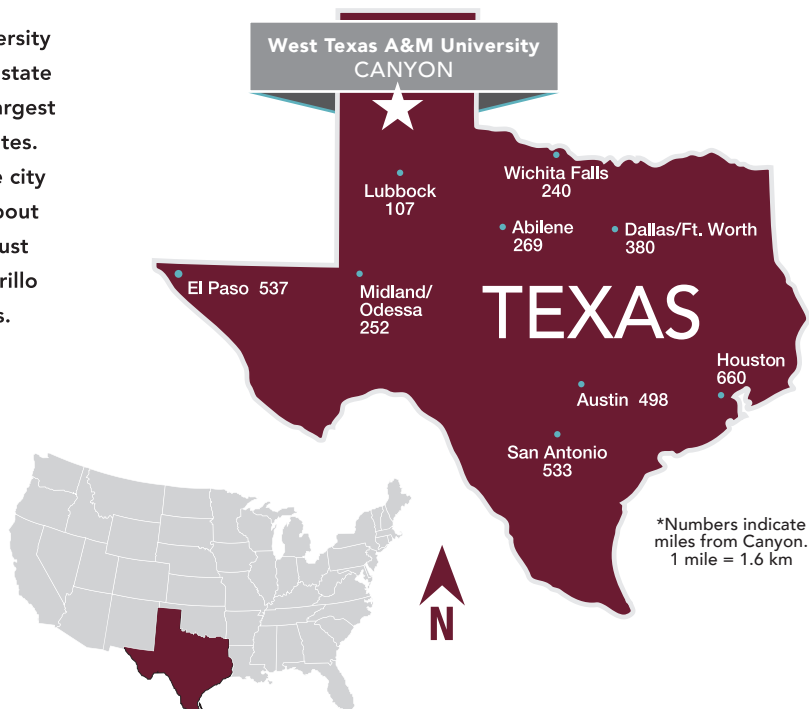

- Paul Engler College of Agriculture & Natural Sciences
- Paul & Virginia Engler College of Business
- College of Education and Social Sciences
- College of Engineering
- Sybil B. Harrington College of Fine Arts and Humanities
 - School of Music
- College of Nursing and Health Sciences
- Graduate School

ACADEMIC CALENDAR

- Fall semester – August to December
- Spring semester – January to May
- Summer session I – June to July
- Summer session II – July to August

WHERE IS WEST TEXAS A&M UNIVERSITY?

West Texas A&M University is located in the great state of Texas, the second largest state in the United States. The University is in the city of Canyon, home to about 14,500 residents and just 15 miles south of Amarillo with 200,000 residents.

LEARN IT. LIVE IT.

RESIDENTIAL LIVING

The campus is home to 11 residence halls as well as a cafeteria open for breakfast, lunch and dinner. Living on campus offers huge benefits for international students. Campus facilities like the cafeteria, gym and library are easily accessible and within walking distance of most residence halls. Living on campus enables students to experience college life while concentrating on academic study and utilizing college facilities and activities.

WT's University Police Department patrols 24 hours to keep the campus safe. Students can use shuttle bus service and have access to UPD's on-campus escort service at night. Not only is the campus environment a safe one, but the city of Canyon is one of the safest cities in the state of Texas.

INTERNSHIP AND EMPLOYMENT OPPORTUNITIES

International students are eligible for employment in the U.S. in three different categories while in F-1 visa status.

①

On Campus
Employment

②

Curricular Practical Training
(internship)

③

Optional Practical
Training

These training opportunities allow international students to gain experience in their related field of study and help prepare them for employment after degree completion. All U.S. employment opportunities for students are subject to visa regulations.

COST OF ATTENDANCE

The estimated cost for an undergraduate and graduate international student at WT.

SCHOLARSHIP DATES AND QUALIFICATIONS

SCHOLARSHIP DATES

Feb. 1 University scholarship priority date; applicants will be notified by May 1.

Oct. 1 Scholarship application opens.

Dec. 1 Early action date (freshmen only); applicants will be notified by Feb. 1.

SCHOLARSHIP QUALIFICATIONS

Fall applicants - Feb. 1 Deadline \ \ Spring applicants - Dec. 15 Deadline

ENTERING FRESHMEN

- Minimum 3.0/4.0 grade scale or
 - ACT 24 (composite) or
 - New SAT 1100
(reading and writing + math)
-

GRADUATE STUDENTS*

- Minimum 3.0/4.0 grade scale
 - Meet program admission standards
- *Scholarships awarded by department or Graduate School*
-

TRANSFER STUDENTS

- Minimum cumulative GPA of 3.0 scale on official calculation of hours accepted and
- 30 transfer credit hours and
- Enrolled full-time
(12 or more hours per semester, Fall and Spring)

HOW TO APPLY FOR SCHOLARSHIPS

1.

Complete application for admission to obtain student (Buff) ID

2.

Submit transcripts and test scores (if required)

3.

Use student (Buff) ID to complete scholarship application
