## How to make studying fun and engaging: Tips and tricks from Lizbeth Fuentes

**WT** College Assistance  
Migrant Program  
WEST TEXAS A&M UNIVERSITY™

Lizbeth says to make studying fun, study in an open space that is clean and organized. She also recommends buying the colorful flashcard instead of the plain, white cards. First learn the material on your own, and when you feel confident, ask a buddy or a classmate to study with you for comprehension. Also, be sure to add rhythm to your studying.

5 tips to be successful at WT (from Kaila Silva, CAMP Alumni '22):

1. Be responsible.
2. Be accountable.
3. Be a good leader and follower.
4. Be authentic.
5. Be teachable.
