While nothing is failsafe, here are some suggestions everyone may want to consider:

- Lock all outside doors and windows before leaving your home.
- Ensure all locks are in proper working order.
- Don't share your location on social media.
- If you return home to find an unexplained open/broken window or door – do not enter. Contact the Police.
- Do not touch or clean up until the police have inspected for evidence.
- Be a good neighbor. If you notice anything suspicious in your neighborhood, call 9-1-1 immediately.
