BACHELOR OF SCIENCE REQUIREMENTS	OF	TION		
Covered by requirements for major.  MINIMUM HOURS REQUIRED TO COMPLETE DEGREE				
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE 120  NOTE: The core curriculum must total exactly 42 hours: excess hours must be may				

<sup>♦</sup> NOTE: The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. Upon completing 30 credit hours, students must request an official degree plan (using the online <a href="Degree Plan Request">Degree Plan Request</a> form) in order to progress. Students who have questions about their degree plan should contact the office of the dean of the Paul Engler College of Agriculture and Natural Sciences, which is located in the Happy State Bank Academic & Research Building, Suite 262 (phone 806-651-3570).
