## **Bachelor of Applied Arts and Sciences Degree BAAS (601)**

ADVANCED ELECTIVES: 27 HOURS (TO TOTAL 39 ADVANCED HOURS EARNED AT WTAMU)—SEE NOTE II BELOW.				
ADVANCED ELECTIVES				
	27			
BAAS block transfer of technical/vocational credits, up to a maximum of 48 hours.				
ELECTIVES—ANY LEVEL (to total 120 hours)				
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE	120			

- ◆ The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
- \* Indicates prerequisites—see catalog for more information.
- \*\* While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).
  \*\*\* Or an equivalent course (second year, second semester) in a foreign language.

NOTE I: This degree assumes completion of an associate of applied science degree at a community college or completion of an appropriate occupational certificate prior to starting work on the B.A.A.S. degree at WTAMU. Included in this credit must be a block of transfer of technical-vocational credits, up to a maximum of 48 hours. Additional hours of academic credit may be transferred.

NOTE II: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. Correspondence courses are not considered in-residence, and as such may not count toward advanced hours. A maximum of 60 semester hours in any single discipline, six hours in religion (RELI) and six hours in physical education (PHED) can be counted toward a degree.

NOTE: This is NOT a degree plan. Upon completing 30 credit hours, students  $must\ request\ an\ official\ degree\ plan\ (using\ the\ online\ \underline{Degree\ Plan\ Request}\ form)$ in order to progress. Students who have questions about their degree plan should contact the office of the dean of the Sybil B. Harrington College of Fine Arts and Humanities, which is located in Room 181 of Mary Moody Northen Hall (phone 806-651-2782).
