• The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available. \* Indicates prerequisites—see catalog for more information.
\*\* While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT

prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or

Pre-Calculus (MATH 2412).
 \*\*\* Or an equivalent course (second year, second semester) in a foreign language.
 NOTE 1: An audition meeting program standards is required for admission into the WTAMU Musical Theatre Program. Additionally, students approved as musical theatre majors must pass annual juries in musical theatre in order to maintain their status in the program.

NOTE II: At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours.

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 30 hours. Students should always seek the advice of their academic adviser before scheduling classes.
