Six hours of foreign language. Six hours chosen from art, English, history, modern languages, music, philosophy and theatre. ELECTIVES: 19-21 HOURS BY ADVISEMENT—SEE NOT	(6-8) 6	TIO	N

The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

* Indicates prerequisites—see catalog for more information.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of 60 semester hours in any single discipline, six hours in religion (RELI) and six hours in physical education (PHED) can be counted toward a degree.

NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours. Students who have questions about their degree plan should contact the office of the dean of the College of Nursing and Health Sciences, which is located in Old Main, Room 402 (phone 806-651-3500).

^{**} While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

^{***} Or an equivalent course (second year, second semester) in a foreign language.
