ADVANCED ELECTIVES: 9-10 HOURS—SEE NOTE II				
ADVANCED ELECTIVES*** Selected from chemistry, mathematics, biology, computer science, physics, environmental science or geology to provide a minimum of 36 advanced (3000- or 4000-level) hours.				
BACHELOR OF ARTS REQUIREMENTS: 12 HOURS	OP	ΓΙΟΝ		
Six hours of foreign language.				
Six hours chosen from art, English, history, modern languages, music, philosophy and theatre.				
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE		-		
NOTE: The core curriculum must total exactly 42 hours; excess hours must be				

moved to the major as an elective or a major requirement and stay within the 120hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

NOTE I: Option III is for students planning careers using chemistry applied to medical science, including pre-medical students and other pre-professional students. NOTE II: At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours.

^{*} Indicates prerequisites—see catalog for more information.

^{**} Or an equivalent course (second year, second semester) in a foreign language.

^{***} MATH 2414, although it will not count as an advanced elective, is recommended.
