♦ The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
 * Indicates prerequisites—see catalog for more information.
 ** While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).
 *** Or equivalent course (second year, second semester) in a foreign language.
 **** Recommended.

NOTE: This is a list of the required courses for admission to the WTAMU Nursing Program. Upon completion of the WTAMU Pre-Nursing admission requirements, there is a second, competitive application process to be admitted to the BSN program. Students should complete or be enrolled in the last six or fewer Pre-Nursing courses when applying. **For more information please contact Department of Nursing Admissions Counselor at 806-651-2693.**

A basic or transfer student who is not enrolled in courses in one of the four official nursing semesters (Junior I, Junior II, Senior I, and Senior II) is considered to be a Pre-Nursing major, Code 700. When a student is admitted to the WTAMU BSN program and begins Junior I nursing courses, the major code is changed to Code 701, unless the student is a registered LVN, in which case the major is changed to 713.
