¹ **CORE:** SES Human Performance majors are required to take specific courses for Core 30, and Core 90. For all other categories, they may select from any available options (see degree checklist). Apart from the major-specific core requirements, there is no set order in which core courses must be taken.

² – Take selected 24 hours, by advisement, from the following: SES 2255, SES 3316, SES 3320, SES 3321, SES 3326, SES 3340, SES 3341, SES 3356, SES 3377, SES 3392, SES 4098, SES 4322, SES 4325, SES 4327, SES 4328, SES 4341, SES 4343, SES 4346, SES 4394, ATTR 3310

<p>Identified Marketable Skills</p> <p>Oral/Written Communications – Career Management – Teamwork/Collaboration – Professionalism/Work Ethic</p>	<p>Top Three Local Employers or Industries/Professional Programs/Possible Career Opportunities</p> <p>Youth, collegiate, and private sector sports – Fitness, wellness, and sport performance centers – Preparation for education in allied health fields – Opportunities for alternate teacher certification</p>
---	--

Additional notes:

- The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.
- At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.
- This degree track prepares the student with the scientific foundation for athletic performance and skill acquisition, physical activity/wellness, and fitness with focus on youth, collegiate and private sector. Additionally, this degree, through appropriate use of electives, provides the preparation for an alternate teacher certification program or further education in allied health fields.
- Important sequencing: SES 3302 is the prerequisite for SES 3356 and SES 4341; BIOL 2402 is the prerequisite for SES 3341. A maximum of 11 hours of electives may have SES prefix.

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 30 hours. Students should always seek the advice of their academic adviser before scheduling classes.
