Strategies and tips for successful studying from Aidan

WT College Assistance
Migrant Program
WEST TEXAS A&M UNIVERSITY™

Aidan says the best way to study is to avoid your room, as you are more likely to fall asleep. Try to study in a public place, like a coffee shop or a library, so other people can hold you accountable. Give yourself parameters and a timeline. Be consistent with it as well.

5 tips to be successful at WT (from CAMP Alumni):

1. Network, network, network!
2. Communication is key.
3. Take initiative.
4. Make friends.
5. Set goals for yourself.

Fabi says...

Don't forget to complete your one hour of study time and sign in and out. You don't sign in=you weren't here.

September Workshop will be casual dress up. No T-Shirts, no ripped jeans, no athletic wear.
