

*"CAMP Familia,
I am beyond thrilled to serve you all
this year. May this new transitional
journey be all that you wish for.
CAMP will be with you every step of
the way to encourage, challenge,
and pick you up in order to help
achieve your goals--personal,
academic or career. Remember, you
belong here and I can't wait to see
your growth.*

With gratitude and love,
Fabiola Hernandez
CAMP Director

Our CAMP Scholars spent two days at Hidden Falls Ranch during our CAMP orientation. They had the opportunity to interact with each other and complete team building exercises.

This was the first time all 30 scholars met. The bond they all created with each other immediately provided a sense of belonging not only within the program, WT, but their personal and academic lives.

Perryton, TX CAMP Service Project

On June 15, 2023, an EF3 tornado struck the town of Perryton, TX. The tornado destroyed several homes and left the town damaged. We wanted to help in any way possible so we reached to WT Alumnus, Jonathan Delgado, who lives in Perryton to ask how we can provide aid efforts. Jonathan was repairing an apartment complex he owns to provide free housing for families that lost their homes. Our CAMP students gathered painting supplies, and drove to Perryton, TX to clean up the area and fix up the apartments. Thank you to Lizet and Jonathan Delgado for providing a meal while we worked in the heat as well as Radiant Builders for providing their services in completing this project.

“Be of service. Whether you make yourself available to a friend or co-worker, or you make time every month to do volunteer work, there is nothing that harvests more of a feeling of empowerment than being of service to someone in need.” -Gillian Anderson

“I’ve been saying this a lot lately, but I cannot thank you all enough for driving hours to help us complete a task in one day that otherwise would have taken us days to complete. Y asi es, otro proyecto mas para una gran causa! Muchas gracias a todos los estudiantes del programa CAMP que trabajaron muy duro en el solazo, se los agradezco de todo corazon ya que no solo me ayudaron a mi si no tambien a las familias afectadas por el tornado que les destruyo completamente todo el 15 de junio que es de lo que se trata todo esto, ayudarles a ellos, mil thank yous!”

Two representatives from the United States Department of Agriculture, Dr. Lisa Ramirez and Ruby De La Garza attend Day 2 of CAMP orientation. They listened “to our scholars’ stories of migrating within the agricultural work field and shared information about USDA programs and opportunities designed to support their academic success - including the new USDA HEP/CAMP Internship that launched nationally last year. Janet Banuelos from Booker, TX shared her experience with CAMP and her agriculture background.
