BACHELOR OF ARTS REQUIREMENTS: 6 HOURS	PΊ	TION	
Six hours of foreign language. (6-8	3)		
ELECTIVES: 25-27 HOURS BY ADVISEMENT—SEE NOTES I	&	II	
ELECTIVES (ADVANCED) 18			
ELECTIVES (ANY LEVEL) 7-9)		
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE 12)		

[◆] The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

* Indicates prerequisites—see catalog for more information.

NOTE I: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU; 30 of the final 36 hours counted toward the degree must be earned at WTAMU. No more than 60 semester hours in art (ARTS) can be counted toward this degree. A maximum of six semester hours in religion (RELI) and a maximum of six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

NOTE II: Art majors (B.A. or B.S.) interested in gallery management, museum work or other art/business possibilities should normally select Studio Art and Management or Art History Emphasis and take support courses in ACCT 2301, 2302, BUSI 1301, MKT 3340, MGT 3330, 3332 (prerequisites: ACCT 2301, ACCT 2302 and FIN 3320).

NOTE: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan by using the online Degree Plan Request form. The dean's office of the Sybil B. Harrington College of Fine Arts and Humanities, located in Mary Moody Northen Hall, Room 181 (or call 806-651-2782), can answer questions about the degree plan. Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.

^{**} While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

^{***} Or an equivalent course (second year, second semester) in a foreign language.

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 45 hours. Students should always seek the advice of their academic adviser before scheduling classes.
