Once students are admitted to West Texas A&M University, they can gain admittance to the Paul and Virginia Engler College of Business by satisfactorily completing a set of pre-admission courses (see PB note below) and completing 30 credit hours of undergraduate course work. Students seeking admission to the business program that have completed 30 or more credit hours in a different major or as a transfer student may be admitted to the business program with a 2.5 cumulative GPA or approval by the associate dean of undergraduate business programs. (See catalog or Pre-Business checklist for more details.)

♦ NOTE: The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements.

PB The pre-business courses include 15 credit hours from the following: ECON 2301 or ECON 2302; MATH 1324 (or equivalent); ENGL 1301; COMM 1315, 1318, or 1321; BUSI 1304, CIDM 1301 or 1315, ECON 2331 or University Core 90 equivalent.

- •• Or University Core 90 equivalent. **Note: only six hours are required for Code 90**; extra hours from 4-hour Core 30 courses (if taken) will count either towards Core 90 or as elective hours.
- * Indicates prerequisites—see catalog for more information.

** Or an equivalent course (second year, second semester) in a foreign language.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. After completing 30 hours, students are required to request an official degree plan by using the online <u>Degree Plan Request</u> form. The dean's office of the Paul and Virginia Engler College of Business, located in the Classroom Center, Room 216 (phone 806-651-2530), can answer questions about the degree plan. Students who have completed 30 hours will not be allowed to progress without requesting a degree plan.
